Plan 4

RADIANCE AT SOLARA

PRICE

$954,751

FEATURES

- 5 Bedrooms
- 5 Ba, 1 Half Ba
- 4,065 Sq. Ft.
- 2 Car Garage

Explore Plan 4 at Radiance at Solara, a spacious two-story home designed to offer flexible living areas and comfortable private spaces. The main level features an open great room that connects directly to the kitchen and dining area, creating a functional layout for everyday living and entertaining. The kitchen includes a large center island, walk-in pantry, and access to the optional covered California Room for expanded indoor-outdoor living. A front flex room and a private first-floor bedroom with nearby bath provide additional versatility for guests, work, or multi-generational living. Upstairs, the primary suite offers a private retreat with a spacious walk-in closet and well-appointed bath. Additional bedrooms, multiple baths, a central loft, and a conveniently located laundry room provide both comfort and practicality for the entire household. Key Highlights: Two-story layout with open gathering spaces and private retreats Expansive great room connected to the kitchen and dining area Modern kitchen with large center island and walk-in pantry Optional covered California Room for outdoor living Flexible front room ideal for a home office or lounge Private first-floor bedroom with nearby bath Spacious primary suite with large walk-in closet Central upstairs loft for additional living space Convenient second-floor laundry room Attached two-car garage with direct home access Plan 4 at Radiance at Solara offers a functional design built for flexibility and everyday comfort.
