The home opens with a private-entry ADU featuring its own bath, ideal for guests, multigenerational living, or a flexible workspace. The main living area features an open-concept design centered around a spacious kitchen with Beech Shaker cabinetry, quartz countertops, Bosch stainless steel appliances, and a walk-in pantry. The kitchen flows seamlessly into the dining area and great room, creating a functional layout for both everyday living and entertaining.

Upstairs, the private primary suite includes dual vanities, a soaking tub, and a walk-in closet.
