Homesite 238 is the Juniper plan at Madison at Copper River, a thoughtfully designed single-story home offering a comfortable, modern layout. Upon entry, a hallway leads to Bedrooms 2 and 3, each featuring a walk-in closet. This area also includes a full bathroom shared by the secondary bedrooms, along with a powder bathroom positioned for guest convenience. Beyond the hallway, the floor plan opens into the kitchen and dining area. The kitchen offers a generous center island, ample counter space, and a pantry closet. The dining area connects directly to the Great Room, creating an easy flow for everyday living and gatherings. Just past the Great Room, the laundry room and Owner's Suite are privately located. The Owner's Suite includes an en-suite bathroom with a dual-sink vanity and a walk-in closet.
