Homesite 236 is the Kinsley plan at Madison at Copper River, a spacious home with a flexible layout designed for modern living. Upon entry, Bedroom 4 and a full bathroom are located just off the foyer, along with a convenient storage closet. This setup works well for overnight guests or a home office. The hallway leads past the stairwell as the floor plan opens into the Great Room, which connects seamlessly to the dining area for an easy flow when hosting. The dining space continues into the kitchen, featuring a generous center island, ample counter space, and a pantry closet. Upstairs, a loft overlooks the Great Room below and offers a flexible space for relaxation or entertainment. The Owner's Suite includes an en-suite bathroom with dual vanities, a linen closet, and a large walk-in closet. Bedrooms 2 and 3 are located on the opposite side of the floor, each with a walk-in closet and shared access to a full bathroom and nearby laundry room.
