Homesite 891 is the Partington plan at Villosa, a thoughtfully designed two-story home that seamlessly blends comfort and elegance. Upon entry, you are greeted by a welcoming den and a conveniently located powder bathroom. The hallway leads to a storage closet, coat closet, and a laundry room with ample storage space. The layout then opens into the kitchen and dining nook, creating a comfortable setting for both everyday meals and larger gatherings. The dining nook provides access to the California Room, offering year-round indoor-outdoor enjoyment. These spaces connect naturally to the Great Room, where a hallway tucked around the corner leads to the Owner's Suite. The suite features a full en-suite bathroom with a dual-sink vanity, soaking tub, separate shower, and a spacious walk-in closet. Upstairs, a balcony overlooks the Great Room, accompanied by three secondary bedrooms that share a full bathroom. The second floor also includes a standard loft and an additional bathroom for added convenience.
