Welcome to Homesite 205 in the Harmony Collection at Sterling Ranch, a beautifully spacious singlefamily home offering approximately 2,268 finished square feet of thoughtfully designed living space. This residence blends comfort with style, featuring a flexible room on the main floor that is perfect for an office or creative space, a cozy 42-inch fireplace anchoring the great room, an inviting upstairs loft, and an expansive in-ground unfinished basement with plenty of room for future customization or storage. With the Jocelyn II design finish package, the home showcases modern elegance through features such as luxurious wood-look LVP flooring, a tankless water heater for on-demand comfort, a gas line to the range for culinary ease, and central air conditioning for year-round climate control. Designed in the High Country Ranch elevation style, the home includes three well-sized bedrooms, two and one-half bathrooms, and a versatile loft. At the heart of the home is a generous kitchen outfitted with white cabinetry, sleek quartz countertops, and stainless steel appliances. Just off the kitchen, a covered outdoor room offers a comfortable space to enjoy Colorado's natural beauty in any season. This is where modern living and lifestyle come together in perfect harmony.
