Welcome to homesite 152 of the Harmony Collection at Sterling Ranch. This Plan 6 is a spacious single-family home offering approximately 2,831 finished sq. ft. of thoughtfully designed living space. The layout includes a main floor bedroom suite with bath, a cozy 42" fireplace in the great room, an upstairs loft, and an unfinished basement with rough-in plumbing for a future bath. It's where modern living and lifestyle come together in perfect harmony, featuring the Diana II design finish package with LVP wood-like flooring, a tankless water heater, gas line to range, AC, and more.

This home includes five bedrooms, highlighted by the main floor suite, and four and a half bathrooms. The large kitchen showcases white cabinets, quartz countertops, and stainless steel appliances, while the spacious covered outdoor room off the dining area invites seamless indoor-outdoor living. Located close to a new park and trail system, with another park nearby, this homesite is ideally situated for those seeking comfort, convenience, and connection to nature.
